Quality Style Economy

## The Three Salient Features of Our Fall Purchases

**Harbour's**  
Department Store  
NORTH THIRD STREET  
Half a Square From Broadway  
"The Store That Keeps the  
Prices Down."

We deliberately planned to buy merchandise of good quality. Quality we made the basic principle of our purchases, but not quality without the style idea. The chief inspiration for our purchases is directly traceable to the style idea which give distinction and correctness to fall suits, fall dresses, fall millinery, fall coats, fall waists, fall silks, fall dress goods, fall trimmings, fall footwear, fall apparel for men and boys, fall merchandise of every character. Having obtained the quality with the adoption of the very best styles set for the approaching autumn and winter season, we bought from manufacturers who trim their prices to influence cash buyers to become and remain their customers. These savings are yours when you buy here.

### New Satin and Velvet Hats for Women

They are the new tailored models, singularly light in weight owing to the materials of which they are made. They combine comfort with beauty and graceful lines. They are particularly suitable for autumn wear as well as the winter months. They are copies of French models and were made by one of New York's foremost milliners. Our millinery section is filled with these lovely hats for next week's sale. We are pricing them unexpectedly low. We owe a vote of thanks to our New York milliner for copying the Parisian milliners' autumn models so that we can sell them so reasonable. Ready for your inspection and consideration Monday and the rest of next week.

### Children's School Hats

They are felt hats trimmed with velvet bows. The colors are blue, red and brown. The price is \$1.75 each.

### Invisible Hair Nets

Good ones for 5c. Better one for 10c.

Thrift is virtue and for more reasons than you think you want to keep up with what goes on at Harbour's.

### New Silks

Already the new Silks are beginning to arrive. The largest single purchase of silk this store ever made at one time is now in transit

on its way to us and will doubtless reach us by the middle of the coming week. The reason this store's silk business is growing so rapidly is because we are giving such splendid values.

### Why Not See the Grillon Styles in Men's Clothing for Fall Before You Buy Your Suit?

Too much bother? Not a bit of it. It certainly would be a bother under the old way, as you would have to wait for a salesman to pull out suit after suit from rumpled piles. But our's is a progressive, different way. Suppose you should tell us you would like to see our \$15.00 Fall Suits. We simply pull out racks holding the suits on hangers. You see the whole pattern range of \$15.00 suits at a glance.

Name any other price you may want to pay for a suit, \$5.00, \$7.50, \$10.00, \$12.50 or \$18.00, and the racks move out and put every suit in plain view so you can examine to your heart's content before making your choice.

You can find out in five minutes whether we have exactly the suit you want.

To all knowing sufferers of rheumatism, whether muscular or of the joints, sciatica, lumbago, backache, pains in the kidneys or neuralgia pains, to write to her for a home treatment which has repeatedly cured all of these tortures. She feels it her duty to send it to all sufferers FREE. You cure yourself at home as thousands will testify—no change of climate necessary. This simple discovery banishes uric acid from the blood, loosens the stiffened joints, purifies the blood, and brightens the eyes, giving elasticity and tone to the whole system. If the above interests you, proof address Mrs. M. Summers, Box R, South Bend, Ind.

### Curfew Ordinance.

Small boys must remain off the streets at night, and the old curfew law which has been buried for many months will be resurrected. Mayor Smith has instructed Chief of Police Sligery that the law must be enforced and the patrolmen have been given strict orders to enforce it. Youngsters on the streets at night without their parents or guardians may be pulled.

"Here's a New England boy who can speak Latin fluently, and he's only 7 years old," said Mr. Billups. "I don't see much good in that." "I do," said little Billie Billups. "He can be sassy to his ma and she won't know it."—Harper's Weekly.

## LAW DEPARTMENT

W. A. COLSTON AND W. A. NORTHCUTT ADDED TO BUREAU.

L. & N. Will Have Its Own Representative to Handle Interstate Commerce Cases.

Louisville, Ky., Sept. 10.—Col. Henry L. Stone, general counsel of the Louisville & Nashville railroad, made public a change of policy of that railroad in the matter of the conduct of legal business and announced the appointment of new men to positions in the legal department.

The new appointees are: William A. Colston, at present assistant controller of the Louisville & Nashville.

William A. Northcutt, chief clerk in the legal department.

Colonel Stone made this statement: "For many years practically all of the southern railroads, including the Louisville & Nashville, united in employing the late Edward G. Baxter, formerly of Nashville, Tenn., to represent them in interstate commerce matters at Washington.

"Since the death of Mr. Baxter most of the other roads have employed a lawyer in Washington in the same capacity, but it has been decided by the Louisville & Nashville road to effect an organization of its own, so as to have all its legal business more concentrated."

**Notice to Delinquent State Taxpayers.**  
Though not required by law to do so, I desire to again remind those whose names have been advertised as delinquent with their state taxes that Saturday is the last day of grace before the opening of the sale of their property, which will start Monday, September 12th, and continue for ten days.

Delinquents should appreciate that, owing to the recent sweeping decisions of the Court of Appeals, there will be a greater number of buyers present at the sales and much trouble, expense and actual loss of property will be avoided by paying at once the amounts rightfully due the state for back taxes.

Saturday is the day for action. Don't lose this, your last chance, to redeem your property.

W. M. HUSBANDS,  
State Revenue Agent.
